

# 2024 Advocacy Intensive Catalytic Leadership in Philanthropy

---

## Program Commitment

For the 2024 workshop, *Develop Your Policy Acumen*, I will:

- Attend each of the four virtual modules in September, October, and November, and actively participate in exercises, practice, and discussions.
- Complete interviews with grantee partners and people in my community or field, as assigned, to learn about the policy landscape and potential roles for our foundation.
- Take time to reflect on and synthesize the learning and insight from these interviews.
- Use the insights from my interviews and any other research to complete the assigned worksheet on *8 Kinds of Critical Information*.
- Actively participate with my peer coaching group.
- Complete any individual pre-work and follow-up activities.
- Offer ideas, suggestions, and feedback in a constructive manner.

I understand that, if I do not follow through on the commitments above, I will not meet the requirements for successful completion of the Advocacy Intensive.
